VERNON ELEMENTARY ITM MODEL

When circumstances permit Vernon Elementary will shift to a hybrid model of instruction. This shift is called an Instructional Time Model (ITM)

01

Student work in a hybrid setting

Students will select from a variety of activities outlined by the teacher on a "Choice Board"

02

Google Classroom and Instructional Technology

Student can also access activities and other instructional programming through the teacher's Google Classroom

03

Choice Boards

Activities Created to:

Build foundational skills

Reinforce mastery of State Standards

Reinforce all subject areas

04

Attendance Requirement

Fill out attendance survey (phone or computer)

Complete assignments and turn in within two days of ITM day.

05

Teacher Support

Teachers will be available via Google Meets or by email between 10:00-3:30
