

Vernon Elementary School

Board Goals 2023-24

Personnel

Recruit and retain effective, highly qualified teachers and Administrators by ensuring a system of support, training, and competitive salary and benefits

Boardsmanship

Implement a comprehensive plan that provides clear and open lines of communication between the School Board and Central Office Staff, as well as, effective communication among school system staff, parents, and the community

Facilities

The school district will develop a facility plan that will meet the long-range needs of students.

Fiduciary

The board will identify district needs and develop short- and long-range strategies that are responsive and within the budgetary limitations of the District.
